30/12/2016 03:22 PM	Good practice friendly staff . Love self check in screens . I did get told twice they would call me back but they didn't . I chased it & it was all fine .
20/12/2016 08:56 AM	Staff are kind and friendly , the ten minute appointment time seems a bit short & only being to ask about one difficult is a bit inconvenient . lists to not seem to be appreciated but seem important to the patient.
05/12/2016 10:27 AM	No one finds out what's wrong just give you a precriptions can never see own doctor . No support for those at the end of their tether .,
