

BRIDPORT & WEST DORSET INDOOR BOWLS CLUB

The main aim of our club is friendship along with the benefits of gentle exercise which is suitable for all ages and abilities. You can be as competitive or non-competitive as you like with a variety of games available from simple roll-ups with friends through inter-club games to national events at the top end of the spectrum.

We are based on the St. Andrews Industrial estate to the north of Bridport where you will find our all-weather four rink “green”, together with all amenities including changing facilities, a kitchen and a bar for refreshments. There is plenty of parking.

All equipment is available for your use, including adapted wheelchairs for the less able, so come and meet us and “have a go” and most importantly enjoy our friendship and hospitality.

For further information contact the Hon. Secretary, Peter Hunt, on 01308 425267
