

Chapel in the Garden

The Unitarian Chapel in the Garden is a Chapel and Multi-Faith community centre 'for Positive Living'. We encourage people from many faiths and none to share time together and benefit from all the activities on offer; everything from yoga and meditation to art, creative writing and singing.

Every Tuesday evening we have a free event called 'Bridport Dance Walk' - a brilliantly bonkers way to keep healthy in both mind and body. At 6.45pm we meet at the Rax Lane entrance to the chapel and spend 30-45 mins dancing to brilliant beats around Bridport.

We are offering a taster on 11th June 12 midday - starting at the front garden of the Chapel (49 East Street, next to Chocolate Shop).

If you would like to be on our weekly event email please get in touch!
