**DORSET & WILTSHIRE
FIRE AND RESCUE**

Come and visit us and sign up for a 'FREE Safe & Well Visit' by Dorset & Wiltshire Fire and Rescue.

We'd like to visit you in your own home, at a time convenient to you to see what we can do to make you safer. We can also have a conversation with you about how you can improve your health and wellbeing.

Our aim is for you to:

- Know what the risks are within your home.
- Know what to do to reduce or prevent these risks.
- Put together an escape plan in case a fire breaks out.
- Have working smoke alarms.
- Identify and receive further support if needed.
-

You may need free smoke alarms fitted within your home. We will give you 10-year alarms and fit them completely free of charge, in minutes ensuring you are safer from the moment we leave.

Come and see us today!
