28/01/2016 11:38	It take to long to get an appointment , sometimes a week before you can see your doctor .
28/01/2016 11:23	If someone has a paid appointment surely it is possible to keep to a time & not run 1/2hr late . If 2 hours of one Doctor on a one day week was allocated to do this and if no paid appointment were needed them they could help others or catch up on other work .
25/01/2016 09:11	Difficult to get an appointment .
