

The Macular Society

“The Macular Society is the national charity for anyone affected by central vision loss. With over 22,000 members we are the largest membership group in the sight loss sector and the voice of people with macular conditions. We provide free information and support to improve lives and ensure no one has to face macular disease alone. There are around 300 Macular Society support groups around the UK and beyond. We fund research so that one day we can overcome macular disease.”
