## **Extended hours**

A few appointments are available each evening Monday to Thursday between 6.30pm and 7.15pm and on Saturday mornings (usually the second Saturday of the month).

These are routine, pre-bookable appointments only. They are primarily for those people who have difficulty in attending a surgery during the working day. No Nurse Appointments are available at these times. You will not be able to contact the surgery by telephone during extended hours – please use the out-of-hours 1-1-1 service for urgent care.

## **Appointments**

Please note: these are 10 minute slots. The times given in the table are for guidance only – they may vary.
